It's wine over water,
So hide your daughter.
While the chase seems so enticing,
The novelty wears away.
Well it's worth the guilt,
Since your body I crave.
Every time I got a choice to make,
Where I'm staring in her eyes,
But I'm thinking of you.
Every time I got a feeling to fake,
Where I'm pinned against her lips,
And there's nowhere to hide.

[Chorus:]

No, no, no.
You don't want to know.
The truth is better kept and left untold.
You don't want to know.

This morning is our last chance
To savor this romance.
Well what's done is done and over,
And it's time to move on.
We return to home we came from,
But it's not the same.
Every time there is a promise to break,
Opportunity knocks and it's something I take.

Always trust the worst,
You always trust the worst kind.

[Chorus]

So say all you want to say,
But let me defend myself.

Learnt every lesson,
Woken up less than half the man I am.
Climbing,
Reclaiming,
Saying I'm sorry,

Saving what we have.
Half the man I am

You don't want to know.
