Air all around

But no water to be found

I dance around

But the surroundings don't suit me

I'm looking

For a familiar face

I'm reaching for something

But I don't know

I'm on the outside now

I'd love to get back in again

I never should have jumped

Just lack of self discipline

And I long to be back

Underwater

Once I was so safe and sound

Just floating all around

And there was

Nothing much to do or see

But I long to

Be back

Underwater
