Im not the only one

Im not the only one

I know what your thinking
Honestly, your carefree

Life on weekends is starting to tear us apart

Honestly, why can't we

Leave the nightlife for the lonely

And spend your evening right beside me
And when the drinks go down too fast

You slow down baby

It's time to come clean
[Chorus]

Im not the only one

Im not the only one

(I know what your thinking, I know what your thinking, I
know what your thinking now)

Im not the only one

Im not the only one
(I know what your thinking, I know what your thinking, I
know what your thinking now
Honestly, think clearly when conscious

feels unconscious

and black and white perspective

turns to gray

Honestly, sleep soundly but while you

Fall asleep i'm leaving

So enjoy all the things you're dreaming
And when the drinks go down too fast

You slow down baby

It's time to come clean

[Chorus]

You hate what you don't know

It's just a matter of time for you

[Chorus]
