Chorus:

It's nice to be at peace with You
It's fine with me to be close to You

My eyes are fixed on You, oh Lord
I see You, I see You
My hands are clean
My heart is pure
You washed me, thank You

I used to be attracted to
The things of this world
And I used to be at war with You
Now I'm fighting on Your side

Chorus

My love for You is unashamed
I love You, I love You
My guilt is gone, I'm free to fly
Inside, inside

I used to be entangled by
The things of this world
And I used to seem so far from You
Now I feel You by my side
