It's no surprise to hear you whine
When your dad won't give you
The things that you wanted
You should be thankful for
What you already have
Cause there are kids out there
Who don't have a home
I was once like you
My parents spoiled me just like you too
But I'm all grown up
Now I can take care of myself...
You need to live on your own
It's the only way to realize
I hope you open up your eyes
And see what life is all about
It's time for you to grow up
Dysfunctional seen you like to hate me
And I know it complicates me
But you can't feel for another
And it's just your cynical cover
