It all begins with a risk...
Cause your desire is for this
To be loved and to love
Its what everything is all about

I'm allowed to live to make the Maker smile
I vow to give the best years of my life

Live's meant to be like a kiss
Cause intimacy is bliss
To be loved and to love
Is what everything is all about

I'm allowed to live to make the Maker smile
I vow to gove the best years of my life
Right now I live to make the Maker smile
I'm free to give the best years of my life
