It's 6a.m. I've been up all night
Chatting on the telephone
With my good friend
You were always there for
When I needed you the most.
Sometimes you need someone to guide you
Through tough times
When you're feeling down
And write sad songs don't
Don't underestimate a true friend
With kind words...
It's always nice to know I'll always have
A shoulder to cry on
I can't thank you enough for listening to me
And all the advice that you gave me.
