Feeling all alone in this world so full  
Falling so slow in a room that moves  
At rates so fast I can't catch my breath  
Can't clear my thoughts to delay the end

It's time I believe  
That it's all in my head  
Cause I'd die to be  
All you need me to be

Losing all I've known, out of reach of you  
Haunted by thoughts of a man who still  
Can't find love and can't find friends  
Can't find peace in this desperate mess

Chorus

If only everything would never change  
If only everything was the same
