I
You were oh so sweet back then
But that
I just wait to forget
All the gorgeous things that you said
And the things that you did

I try to figure it out on my own
I try to understand why I

I walk around this town in awe
Holding time by the hand
I search for answers with none to be found
Only shoes full of sand

I lie away awake in this empty room
With darkness and pain
I lie away in this burnt out room
Begging for someone to blame

Chorus

As the months pass by I grow
Even stronger than before
But I can
Cause my feet are stuck to this floor

I
I'd buy a ticket for a dream just to hear you say

Chorus

You left without a reason why
You left without ever saying goodbye
