I can't believe it's come to this.
I can't believe I made such a mess.
Somehow I'm now afraid of me.
I've slowly grown to be my worst enemy.
It wasn't like I fell into a rut,
it was more like a dive so I could swim in the mud.

Looking for love from a lesser god
has wounded my soul.
Looking for love from a lesser god
has made me cold.
so I come close.

I'm satisfied.
I'm satisfied in You.

To start again, wouldn't that be nice?
To go back in time and set things right.
What's done is done,
how could I be so dumb?
I found myself, destruction button.
To quench my thirst,
I bowed my head down
and started to drink from a bitter fountain.

Looking for love from a lesser god
has wounded my soul.
Looking for love from a lesser god
has made me cold.
Looking for love from a lesser god
has taken it's toll.
Looking for love from a lesser god
has made me cold.
so I come close.

I'm satisfied.
I'm satisfied in You.

I'm satisfied
right here and now.
I'm satisfied in You.
