Some choices I have made brought pain,  
but You will never stop restoring what's been lost.  
So I will boast of your saving deeds,  
and I will rave of your glory.

Cuz you rescue,  
you redeem,  
you save,  
you intervene.  
Oh, you rescue,  
you redeem  
our lives,  
our stories.

Damage done to me was not your dream.  
Innocence has died but has risen from the dead.  
So I will boast of your saving deeds,  
and I will shout of your glory.

Cuz you rescue,  
you redeem,  
you save,  
you intervene.  
Oh, you rescue,  
you redeem  
our lives,  
our stories.

so I will boast of your saving deeds,  
and I will shout of your glory.

Cuz you rescue,  
you redeem,  
you save,  
you intervene.  
Oh, you rescue,  
you redeem  
our lives,  
our stories.

Come and rescue,

and redeem,  
Come save  
and intervene.  
Come and rescue  
and redeem  
our lives,  
our stories.

Come and rescue,  
and redeem,  
Come save  
and intervene.  
Come and rescue  
and redeem  
our lives,  
our stories.

Our lives, our stories,  
our lives, our stories,  
my life, my story.  
My life, my story.
