JUST WANT TO HOLD YOU by Jasmine Guy

-----

You're the very best I ever had  
but I don't want to go too fast  
Too soon to let our true feelings show  
And if we make love now then you'll never know  
That I just want to hold you  
and I never told you that  
I want this love to last  
so let's not move too fast  
I love you more than making love  
so tell me what you're thinking of  
Am i more than just a fantasy?  
'Cause I'm hurting. Boy, can't you see?  
I want you  
I need you  
I'll be yours for the rest of my life  
I just want to hold you  
and I never told you that  
I want this love to last  
so let's not move too fast.

Slow it down, you're moving too fast for me.

I want you, baby

I need you for the rest of my life

I want this love to last

so let's not move too fast

Take your time, won't you take your time
