It's been a long and winding journey, but im finally here
tonight,
Picking up the pieces and walking back into the light,
Into the sunset of your glory, where my heart and
future lies,
There's nothing like that feeling, when i look into you
eyes,
My dreams came true, when i found you, i found you,
my miracle,
If you could see what i see, your the answer to my
prayers,
If you could feel the tenderness i feel, you would know,
it would clear, That angels brought me here.

I'm standing here before you, feels like i've been born
again,
Every breath is your love, every heart beat speaks your
name,
My dreams came true right here in front of you, my
miracle,
If you could see what i see, your the answer to my
prayers,
If you could feel the tenderness i feel, you would know,
it would clear, That angels brought me here.

Brought me here to be with you, I'll be forever grateful,
forever faithful,
My dreams came true, when i found you, my miracle,
If you could see what i see, your the answer to my
prayers,
If you could feel the tenderness i feel, you would know,
it would clear, That angels brought me here.

Yes they brought me here, and if you could feel the
tenderness i feel, you would know, it would clear, That
angels brought me here.
