shawty say she wanna love me, she won't leave me
alone
she say she wanna tangle no iphone
she wanna get me face time, no iphone
she gotta black berry BBM I'm on
Spinnin bottles of patron what i do for fun.
take her back to the crib have a two on one
and after she get bent, bend her over like a shot gun,
Tank on E so you know i'm about to pop one.
looking 3D, ass so fly see it from the front had to walk
around the back
told whatever she want, she know got that
she know i'm a big boy so i gave her 3 stacks
Told her there's a lot more Grey Goose where that
came from.
You drinking em bottles up, i tell her to back it up,
Then she pull out a blunt where that came from
Now shawty gonna light it up, wanna come fly with us

[chorus:]

Shawty i wanna drink, i justa wanna cut
if you see a freak tell her I just in the cut.
Bottles upside down,
And I'm feeling turned up, Body looking 3D
Would she back it up, back it up like this,
Up like that, up like this, up like that
Fuck it up like this, up like that,
shawty looking 3D would she back it up.

Shawty says she love the way we talk in the south
You can do it too, put it in your mouth,
On the V.I.P. couch, snow in the face, (throwing green?)
we suck no waste,
She says she love how it taste point blank range, shoot
it in her face
She think i'm running game but game already ran in a
marathon
Heard the pussy bomb hiroshima.
Aquafina wet, betta splash ass like the Avatar
Big tall blue bitch, 3D camera. And imma Thor on the
blue whore.

Pull out the MC Hammer bitch and beat it on the floor.

[chorus:]

All these extra spare bottles in the club you can tell
me i'm (takin, takin?)
Me and david banner in the club got the speakers on
sub bitches shaking, shaking,
And Game I'm like damn about this brotha on these
hoes
Pittsburgh pussy taking, taking
Then I might hit it from the back like a Mac now she
sayin that it's achin, achin
i'ma back it up she need a (sad car now?)
(I'mma act it up if it make it hurricane bill?)
I'mma stack it up like an 18 wheeler now.
she can back it up
call the waiter cause

[chorus:]
