She even had to sing, she leave the... on the floor
... all over the bed that make me love her more
She wear soft louie v. the big... it's a rack missin up
the...
Blowin up the bed, never let another rat
Nigga hit it from the back or the front
Oh my mama, nigga I'll be gone for much come back

In this field type all up in this... type
I'ma lick in circles now tell me what that feel like
Feels like when you try red bottles on
It feels like the song 'cause we all the way
