[The Game]
Gettin' my Bang on

[Daz]

[The Game]
Say goodbye to the 6,4
Hello to the 6 tray
He aint never seen hydraulics
Look at his bitch face

Up..Down, now watch my shit scrape
Daz call Snoop Imma Crip walk to get Dre
And Blood bounce back, heat on the track
Dribble rock like Wade and bounce like Shaq
Trow an O' in a pot and watch it bounce right back
Like that, Like that, Like that

You got them funny ass colors on
Take them off
If you in the club with ice on
we taken em
I thought you was a gangster
Nigga you better shake it off (what) sha, sha, shake it
off
Or get banged on
