

## **Game, The "Beautiful Day"**

Visit "[Beautiful Day](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I'm in love it's a beautiful day  
I'm in love it's a beautiful way  
I don't care what the weathermen say  
It's a beautiful day (What's up)  
I'm in love it's a beautiful day (We the future)  
I'm in love it's a beautiful way (We the future)  
I don't care what the weathermen say (We the future)  
It's a beautiful day

I'm free as a mother fucking bird I swear  
Disappearantly in air  
There go game nigga where  
Hosted on the block  
In the black ass  
In that all black phantom hug a block like a bear  
Yeah That V12 is roaring  
Flying through the city with the pedal to the floor and  
I'm putting that 26 inches on the curve  
Tell the hood I'm back  
Give me the card and let me surf  
Cause word I'm still dope that's my word  
All I did was wished the kitches and some track all on a  
bird  
Goddy know I'm a murderer  
Half these niggas beefing with me  
I never heard of them  
If I was the old me I would murdered them  
In matter of face if I was the old me I would hurt him  
still  
(Don't know what he says here)  
I kill trash like AIDS nigga get affect

I'm in love it's a beautiful day  
I'm in love it's a beautiful way  
I don't care what the weathermen say  
It's a beautiful day  
I'm in love it's a beautiful day  
I'm in love it's a beautiful way  
I don't care what the weathermen say  
It's a beautiful day

The dream of Hougie Newton that's what I'm living  
through  
The dream of Eric White that's what I'm giving you  
Who walked through the White House without a  
buisness suit  
Compton hand Jerry Curl tripping around a waiting  
shoes  
Gave Mike all my demo came here to pay my deuce  
Started off with who can  
Then I start blazing blue  
It was all a dream like Big said it be  
Don't sleep on me homie I bring nightmares to reality  
Rap phenomenon define the rules of gravity  
Studied off classic start revising my strategy  
Cause Marshal Matthers made it  
Curtis Jackson made the hell  
And the clouds wonderin' where the hell Marvin Gabe  
went  
How do I say this I'm living for my sun  
But I can't figure out why I'm at my temple with this gun  
Wake up to a Jesus piece like a Catholic nun  
To war to be a rap legend has just begun (begun)

I'm in love it's a beautiful day  
I'm in love it's a beautiful way  
I don't care what the weathermen say  
It's a beautiful day  
I'm in love it's a beautiful day  
I'm in love it's a beautiful way  
I dont care what the weathermen say  
It's a beautiful day
