Now is the time
To follow the wind
To walk alone

And a star will show the way
Above the clouds
Beyond the sea

And now is the time
And now and farewell
And as we part

You taught me well
You gave me strength
You showed the way
I'll not forget you

Like an eagle I will soar above the clouds
I will spread my wings and fly into the sun
Like an eagle I will race above the stars

I will fly to places yet unseen
Go beyond my wildest dreams
Know that you are watching over me

And all alone
I will follow the stars above
As my guide

As my guide
I trust in you
To show the way to me
Beyond the sea

And now is the time
And now and farewell
And as we part

You taught me well
You gave me strength
You showed the way

I'll not forget you

Like an eagle I will race above the stars
I will spread my wings and fly into the sun
Like an eagle I will race above the stars

I will fly to places yet unseen
Go beyond my wildest dreams
Know that you are watching over me

Alone, I can fly with the eagle to the mountain high
Race with the eagle so far beyond my dreams
Like an eagle I will fly

Like an eagle I will race above the stars
I will spread my wings and fly into the sun
Like an eagle I will soar above the clouds

I will fly to places yet unseen
Go beyond my wildest dreams
Know that you are watching over me

Like and eagle I will race above the stars
Like an eagle I will fly
Like an eagle I will fly

I'm gonna fly the highest mountain
(Fly)
Fly above the clouds
Like an eagle I will fly
