[Eazy E]

Awww yeah, let's take a trip  
Just sit back and light a spliff to this and don't step  
On a funky-ass track jump back  
Strapped with the fat budda sack and a 7-8 lack  
Come clean, gangsta lean, I got green  
But I serve dubs like it ain't no thing  
I hang with, OG playas don't set trip  
Or you might get what we call a rat-pack  
I don't slack when it come to street  
I kick real g funk to a gangsta beat  
It's so sweet, when you got money to spend  
I got a proper big tilt and a fly-ass Benz  
I make ends, spend my dough on no foe  
That's how it is, and that's how it goes  
Aye, like ya know when I creep real slow  
Givin love to them playas that I know is real g's

[Chorus]

If you got love for them gangstas  
Let me hear you one time, if you down for the crime  
(that's right fool)

If you got love for them hustlas  
Let me hear you say hooo, if you makin straight dough  
(hooooo!)

If you got love for them playas  
let me hear you say ooooh, ladies we want you  
(ooooooh!)

If you got love for them straight g's  
And ya wanna be down, just screeaaaammm  
(heeeeeeeey!)

[The Game]

Awww yeah it's the muthafuckin psycho  
Like Michael, I spit nitro  
And every time I'm in the hood I'm on go  
Six tray Impala with the suicide doors  
And fools know, run up on me at the light

Get sprayed with the AK  
it ain't no coming back like K-day  
Niggaz out here claimin' that they bad  
But they don't know nothin' about the old school  
Jordan's with the all stack  
See where I'm from it ain't no joke  
You cause slip and get run up by them dogs in Loce  
Eazy told me so I'ma let you muthafuckaz know  
That's how it is and that's how it go  
When you raised in the muthafuckin city of G's  
We got clack, cars, bitches and weed  
So when you see that 6-4 boy you better run  
Cause in Compton drive bys is just havin' some fun

[The Game]
