[CHORUS]

Streets was talkin Game got slapped by Suge  
False I was face to face with him  
Media wanna criticize the Game like he had Mase with  
him  
He a hood nigga that ain't tried to snake niggas  
Walked through the five boroughs neva had Jake wit  
him  
Bake it how you want ain't no cupcake in  
them Even Diddy know i make the city glow  
Never had an album never had his own video  
And I was selling crack while Ja was watching Fifty blow  
White t-shirt converse and my dickies on  
Signed with Dre recorded a hundred and fifty songs  
Now the fucking hip hop police hating  
tryin to run me out in New York like Anthony Mason

Only nigga from California that'll come with a tongue
