[Robin Thicke - Chorus]

Baby make me want to be with you
Make me come with me I take you for a ride
Baby, can we drive until the morning?
Baby come with me I take you for a ride

[Game - Verse 1]

I tryna go hard in the phantom
Hit Sunset Boulevard in the phantom
Im talking 6-7 broads in the phantom

Im waving my black card in the phantom
Niggas lookin real hard at the phantom
This tune make the beat go hard in the phantom
Shit what if it was ya all in the phantom

But not me imma ball in the phantom

[Robin Thicke - Chorus]

Baby make me want to be with you
Make me come with me I take you for a ride

Only thing a nigga cant do is bray(?) in the phantom
And I'm tryna (?) D Wade in the phantom
Bulletproof doors, cant get sprayed in the phantom
