Chorus:

All this bright light is not for me
I close my eyes and imagine I'm home!
I miss the days when life was simple,
But if I never try to follow that rainbow
In search for the pot of gold!
Oh, oh, oh!
In search for the pot of gold!

(Game)

There's a mother out there right now,
About to have the next LeBron
Searching for a pot of gold like a leprechaun,
They say death comes in three, two next in line,
And I lost a best friend for the second time.
Now I'm on the quest to find peace,
Still gotta carry my piece and soo-woo when it's
reppin'time.
Ya'll don't understand, I'm misunderstood,
Give Interscope 2 more albums, then I'm done for
good.
Sold ten million records, aint leave the hood,
It's a cold world, everybody need a hood
And everybody doing time, staying here strong,
You still got a chance to live, even though you dead
wrong.

Chorus:

All this bright light is not for me
I close my eyes and imagine I'm home!
I miss the days when life was simple,
But if I never try to follow that rainbow
In search for the pot of gold!

(Game)

Sometimes I try to do good but I just can't be,
Its hard to get myself to do things that aint me,
And yall should thank me,
But my haters busy tryna send me home early but
you can't New Orleans Saint me.
I ain't a saint B, I aint a god God,

I aint an angel neither but I try hard yall,
I'm lightin' up for all my soldiers at war,
As I sit back and watch the ashes on my cigar fall,
Wayne just came home,
And Tip back on the yard dog,
Guess Pujols aint the only one playin' hard ball

Chorus:

All this bright light is not for me
I close my eyes and imagine I'm home!
I miss the days when life was simple,
But if I never try to follow that rainbow
In search for the pot of gold!

Oh, see the thing about all of us,
We never know just what we find.

Chorus:

All this bright light is not for me
I close my eyes and imagine I'm home!
I miss the days when life was simple,
But if I never try to follow that rainbow
In search for the pot of gold!
Yeah! In search for the pot of gold.
