Red, that's the name of the Game album
Red, I wear black I look fly
Red, I'm getting head in the red eye
Red, put in work
Red, keep the airport security on high red alert
Red, what's up red
You know red tow up
Red, the colour that Baby and Wayne throw up
Redman, the red necks they can't stand it
I got caught with their daughter red handed
Red, I'm not rich but the paper good
So bring it on a liner, big boy neighbourhood
[Hook: Redman]Red, yeah yeah boy you know me

Red, that's the colour that my eyes be
Red, I'm on fire homeboy
And that's that the colour that'll show you that I'm hot
[Verse 2: Game]You mention Redman the wrong way
it's red dots
I put you in the sky nigga, red fox
Yeah Red Rum, clock out the red beam
Give you red wings and I ain't talking about the hockey
team
I'm talking red rags hopping out of red rags
With a red bone can't wear any Sinbads
And I've been bad before Michael Jackson was
That's why the red album got a Michael Jackson buzz
I mean I should get a red Michael Jackson glove
And grab my dick, what's happening blood
Or you can catch me on the red carpet

Bitch rocking red bottoms, you can call her red scarlet
And just like the store you can be a red target
My shit butter, you ain't never seen red margarine
Red star with my face make 'em talk a lot
Shut they ass up, red robbies in the parking lot
[Hook: Redman]Red, yeah yeah boy you know me
Red, that's the colour that my eyes be
Red, I'm on fire homeboy
And that's that the colour that'll show you that I'm hot
