Everybody fucking amber rose,  
Is the pussy good only kanye and cameron knows  
Who is .. telling him me and Try are shooting a video  
In a month she can get a  
Estimate TTM five star .. my baby aint got my baby  
Louis Vuiton my money aint young thats my nigger  
Little  
I keep .. road like .. got some ..they wanna smoke some  
.. with him  
They dont know .. what they got theyre making good  
Use that photo shot to get their ass above the hood  
And its all good when this nigger ..  
I said its all good cause I am a trigger man  
She said she wanna have Jason kid  
I told that bitch you better off with Jason kid

### Chorus

I do it cause they love it  
If you hated bitch fuck cause I made it  
I do it for the ladies  
Somebody say they wanna have my baby  
She said she wanna have my baby  
I am trying to have my baby  
She said she wanna have my baby  
I am trying to have my baby

See that bitches in the club just trying to fuck a  
platinum  
Pocking microscopic holes to the magnum rappers  
you aint .. I aint your average rapper  
Drinking all the goose bitch I aint feeling the pain  
Unplug your twitter avatar any way  
Bitch you look like an avatar any way  
And thats .. aint it Try  
This is how .. but it aint  
She claim she is a saint  
But as soon she sees .. girlfriend the type you wanna  
take home  
.. then she told me she wanna .. Trey

Chorus

I do it cause they love it  
If you hated bitch fuck cause I made it  
I do it for the ladies  
Somebody say they wanna have my baby  
She said she wanna have my baby  
I am trying to have my baby  
She said she wanna have my baby  
I am trying to have my baby

You look much better than your friend  
Tonight let me be your boyfriend  
.. I am gonna play cool if you say I didnt

This is your girl  
Looking for your girl

If you chock up in the club dont clap for me

Chorus

I do it cause they love it  
If you hated bitch fuck cause I made it  
I do it for the ladies  
Somebody say they wanna have my baby  
She said she wanna have my baby  
I am trying to have my baby  
She said she wanna have my baby  
I am trying to have my baby
