Throw my dick up this bitch... for walk to the window
Pull a... down, took one hit on the...
You niggers ain't shit, but stay up at my lady...
So walk up to the castle tell... over
That's what I'm rolling with
Nah, I ain't seen shit, I ain't snitching on nobody
Yeah that's my foul fraud, but it's got no bodies
And 2 dead niggers, them is nobody
They should have torched them
Then you wouldn't have no bodies
I mean look at these pictures,
Shit, so sloppy, couldn't have been me I'm doing
