Close your eyes, Let me undress your mind
Put the top down as we ride New york let that low black
hair flow light brown skin glow under the sean john
bill board i got a pass for mintan you know how i get
down cameras flashin lights when i hit town im on my
kayne shit now you know how i get around you see how
my rims glow you see how my chains shine i cant get
away from the spot light like me and my anterrawj.
lets walk in the spot light tim & bob on the track yeeeee

Chorus : (Turn off the lights,
so i can make you move make you do all the things i
want you too Turn off the lights so i can see you
daaaaance
girl its something you only get one chance Turn off
the lights so i can hear my song,
do my 2 step, and come back fo mo with some patron
Turn off the lights so i can see you get down pop the
champaign girl the time is now)

Turn off the lights, im in the back of the club girl
now my hommies is passin chicks takin shots outta my
patron fountian im so iced out,
my nigga's is iced out we standin on the couches now
like on a light house a lady just walked in luda in
dis bitch like a hole buncha hoe's shootin in this
bitch so get down when i say get down take your
clothes
off baby you can start the tips now we got money
today,
money to save the money wont stop it falls from the
sky my money is safe i be at london ballin' paris
ballin same thing go for a town in New orleans ive
been around the world and back every girl know how i
throw my stacks

Chorus : (Turn off the lights,
so i can make you move make you do all the things i
want you too Turn off the lights so i can see you
daaaaance
girl its something you only get one chance Turn off

the lights so i can hear my song,
do my 2 step, and come back fo mo with some patron
Turn off the lights so i can see you get down pop the
champaign girl the time is now)

Sha nay nay - If you wanna break down on me, break it
down in here,

Im a one man show girl i start my cars,
so let it go girl i put the pedal on the floor girl
pull up to your house, open the door girl take you
up stairs so you can shine like a go girl make your
niggers toes curl ..
