[Intro - Gwen]

C'mon, Johnny! When you're gonna get here?

[Johnny Vulture]

Alright, hold your pretty horses, I'll be there in a minute

You just get yourself dolled up, alright Tootsie?

You pick a place! You just pick a place!

[Gwen] Um, Johnny?

[Vulture] Yeah, Gwennie-Gwen-GWEN?

[Gwen] You might wanna hurry

Because tonight, is theeeeeeeeeeeeeeeeeee niiiiight....

[Gwen Stefani - Verse One]

I'm empty, I need fulfilling

Yes I do love, a-to the ceiling

When I do love, I get this feeling

When I'm in love...

I'm restless

Can't you see I try my bestest

To be [a] good girl, because it's just us

So take me now, and do me justice

I'm waiting, a-patiently

Anticipating, your arrival

and I'm hating, it takes so long

to get to my house, to take me out

[Chorus]

Tonight I'm gonna give you all my loooooove in the
backseat

Bubble, Pop, Elec-tric; Bubble, Pop, Elec-tric

Gonna speed it down and slow it uuuuuuup in the
backseat

Bubble, Pop, Elec-tric; Uh-oh! In the backseat

[Verse Two]

Okay now

I understand he's on his way now

But jeez Louise, I mean today now!

I can't wait, I wanna play, now!

I'm antsy, Bubble Pop Electric pansies

My sweet tooth, I want your candy
The Queen of Eng would say it, randy [*laughs*]
I'm itchy
I wish you would come and scratch me
Tonight I'm falling, won't you catch me?
Swoop on by so you can snatch me
and take me out

[Chorus]

[Bridge]

The need to be satisfiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiied
Come pick me up, I want a riiiiiiiiiiiiiiiiiiiiiiiiiiiiide
Hurry, hurry come to meeeeeeeeeeeeeee
Drive-innnnnnnn movieeeeeeeee
Drive innnnnnnn move meeeeeee
Drive innnnnnto meeeeeeeeeeeeeeeee

[Gwen and Vulture's conversation overlaps bridge]

[*doorbell rings*]

[Gwen] I'll get it!! [*Gwen hurries downstairs to answer door*]

Hey Johnny! Lemme go grab my sweater

[Vulture] Hi, Mrs. Stefani

[Gwen - as she goes outside] BYE MOM!!

[Vulture] So, baby where you wanna go, huh?

[*car revs, then speeds away*]

[Break 2X]

Bubble Pop Electric, you've gotta get it

(Straight to me, drive-in movie)

Take it to the back seat, run it like a track meet

(Come to me, drive-in movie)

[Chorus, then the song adds Break into it]

[Johnny Vulture]

Yeah, tell your father, I said 'ello!

[Gwen Stefani]

Johnny, get outta here!

[*car then speed away as crickets chirp*]
