When i had you too myself, i didn't want you around
'cause pretty faces always seem to stand out in the crowd
But someone took you from the bunch, and love was all it took
Now it's just too late for me to take a second look

And i said oh baby give me one more chance, to show you that i love you
Won't you please let me back in your heart
Oh darling i was blind, to let you go, let you go baby
But now since i've seen you in his arms
I want you back...i want you back...i want you back

Tough to live without your love, it's just one more sleepless night
Let me tell you girl, that i know wrong from right
Every street you walking down, it'll be just one look around

Following the girl, to even world around

And i said oh baby give me one more chance, to show you that i love you
Won't you please let me back in your heart
Oh darling i was blind, to let you go, let you go baby
But now since i've seen you in his arms

And all i want, and all i need
And all i want, is all i need
And all i want is all i need and all i need is all i want

Oh baby give me one more chance, to show you that i love you
Won't you please let me back in your heart
Oh darling i was blind, to let you go, let you go baby
But now since i've seen you in his arms
