They saved Hitler's cock, They hid it under a rock.
I discovered it, last night. I couldn't even, believe my
eyes.

If Hitler's cock could start to talk, it would say: To kill
today.
If Hitler's cock could choose it's mate, it would ask, for
Sharon Tate!

They saved Hitler's cock. They stuffed it in Mengele's
sock.
They saved Hitler's cock, and now it wants to talk.

Now it's starting to get hard, I found it in my backyard.
Every night it kills a dog, and now it wants, some night
and fog
Hitler's cock is on the move, and now I'm scared of
what it's gonna do!
