Oh

Get down

Choo Choo Moma, won't you ride the train?  
My life without you is just misery and pain, come back  
to me  
I'll treat you best, yeah  
Choo Choo Moma, you should have a Choo Choo man?

Choo Choo Moma, won't you ride a rail?  
I need your loving, can't you hear me wail, come back  
to me  
You know, I love you so  
Choo Choo Moma, won't you get a Choo Choo home?  
Home

Choo Choo Moma, won't you ride the track?  
I need your loving, won't you bring some back on home  
to me  
I need your loving, babe  
Choo Choo Moma, don't you know you drive me mad?

Choo Choo Moma, you're a cheery thing  
I love you baby, can't you help me sing, come back to  
me  
I want you back again  
Choo Choo Moma, won't you get a Choo Choo train?

[Incomprehensible]
