Goin' back to Birmingham
Way down in Alabama
Goin' back to Birmingham
Way down in Alabama
Gonna do some boppin'
In that rock and rollin' town

Hey, hey, hey, hey
Hey, little baby
Hey, now, now, now, now
Hey, yeah
Come on baby, come down the road

Sit bye, bye, bye
Bye, bye, baby, bye, bye
So long, I said, baby, so long
Come on baby, won't do you no wrong

Hey, hey, hey, hey
Hey, little baby
Now, now, now, now, now, now
Hey, yeah
Come on baby, come on down with me

Boom, boom, boom, boom
I said baby, boom, boom
Yeah, with my baby, yeah, yeah
Come on baby, come on down the road

Goin' back to Birmingham
Way down in Alabama
Goin' back to Birmingham
Way down in Alabama
Gonna do some boppin'
In a rock and rollin' band
