Well love me baby, love for us all go down  
Well love me baby, love for us all go down  
Well want me love ya, goin' out of town

I said hold me baby, hold me good and tight  
I said hold me baby, hold me good and tight  
Well feel it now, tomorrow I'll be out of sight

Well kiss me baby good, and kiss me long - alright  
Well kiss me baby, kiss me, kiss me long  
Well love ya now, 'cause tommorrow I'll be gone

Hang-on.....hang on baby close, and hang on tight  
Hang on baby close, and feel alright  
Well hang on now, 'cause tomorrow I'll be out of sight

Oh baby.....oh-ho, yeah.....oooo-who-who-who!.....  
Ooooo-who baby....., Come-on now!

Said love me baby, long-yeah, love me long  
Gonna love ya baby, lovin', love ya long  
Gonna love ya girl, 'cause tomorrow I'll be gone  
How-how, how, how-How, Ooow!
