Kyle took a bullet for me
Now I've got to rock for three.
KG and me, don't forget about Tenacious D.
I took a bullet for JB, now I'm in heaven and I can see
Your decision to rescue me
Was definitely Poops McGee.
No way, no KG, I disagree
Why?
Your decision to rescue me
Yeah?
Was a decision to set you free
Was definitely Poops McGee.
Wait, this is fuckin' with my head.
I totally thought you was dead
Just remember what you said
The medallion's made of bullet-proof lead.
Whoa!

JB:
Kyle took a bullet for me
Now I've got to rock for three.
KG and me

KG:
I took a bullet for JB
Now i'm in heaven and i can see
No no no, no no no

Together:
Don't forget about Tenacious D.
