

## Ten Years After "Losing The Dogs"

Visit "[Losing The Dogs](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Ah....Let me hear it now! All...right!  
Well you work the day sweatin' while you're tryin' to  
earn your bread, ha!  
Well you gotta work hard man, knock yourself dead -  
haooww!  
Well you wanna drink of water, man you ain't got time  
to stop  
Alright - the man said it's better for ya workin' til you  
drop, work on!  
Well you're workin' for the boss man all the day long  
The trouble with my life is I lived it all wrong, hey! -  
Lived it wrong baby

Hey-oh, ya gotta make it work - gotta make it soon, oh-  
yeah  
I only gotta wait til there ain't no moon - hey!  
You gotta lose the dogs and keep a runnin' on, hey-  
yeah  
When you wake up in the mornin', baby I'll be gone - I'm  
gone!  
Well I live a life of ease - well I ain't got no pain  
They're never gonna get me on the farm again  
Ain't workin' like a dog - aw.....ain't workin' nowhere -  
alright!  
Hah.....Yeah.....I'm on a slave gang.....Oh!

Oh yeah, yea.....eah, alright - I'm gonna tell you  
something - oh yeah,  
Well I'm lying by myself and I'm thinking about my wife  
- yeah, ha, ha!  
The last time I saw her she was lying on my knife - and  
that's a fact!  
I tried to make it runnin' but they caught me next day -  
mercy!  
The world is in my cell, and I'm wastin' time away  
Well I don't know why I bother boy, I don't know why I  
care  
The preacher's been to see me, and I'm going to the  
chair - ha, ha  
See if I care, burn me up! Alright, I'll get 'em back  
someday!

No more work for me man - I won't have a care
