[Talking]

Do another one here

This is my version of Jimmy Buffet's Margaritaville

Little different thought we had to bring it up in to the
90's

Its now called marijuanaville (eh eh eh eh eh)

Rollin my homegrown smoking a big bone

I look at the ganja covered with oil

Using my tweezers

Got pot in the freezer

Made a new pipe out of aluminum foil

[Chorus]

Wasted away again in marijuanaville

Searchin for my roach clip on a rope (on a rope, on a
rope, on a rope)

Some people claim that there is a women to blame

But I know that it's all this damn dope

Don't know the reason, stayed here all season

Maybe that tai stick was a way bit too strong

But I got a real beauty a Colombian dubey

Soon I'll be up on my way alone (Lucy you got some
splaining to

Do baby)

[Chorus]

I blew out my bong pipe

Ran out of bud light

But I found some stash I had hidden at home

I put it into a blender and soon it will render

These little fudge brownies that help me get stoned

[Chorus 2x]

Some people claim that I sound like Dylan when I'm

Stoned but I knowwww that it's all this damn dope
