Well we met in the food court in the mall, She was in
line at arbys and I was
Sippin on a malt, Such a lovely girl I walked up to her, I
wanna make u mine
And buy u diamonds and pearls, She gave me her
pager number and said "beep me
Sometime" Right there I knew that this girl was mine
you're my number one girl,
The best in the world, Ur the ish to me forget the other
girls...

Biznitch, My Biznitch is the shiznit, Biznitch, My biznitch
is the shiznit

I was doin cannonballs at the YMCA, She came up to me
and said Hey no
Horseplay, So I got out the pool like I was the man,
Cruised on over to her
Lifeguard stand, I asked for her number maybe call her
sometime, She looked at
Me, smiled, and said fine, Youre my number one girl,
the best in the world, Ur
The ish to me forget the other girls...

Biznitch, My Biznitch is the shiznit, Biznitch, My biznitch
is the shiznit

Well U know my biznitch is the shiznit, All the fellas
jealous to mind they
Should mind their own business, I only got eyes for one
girl, she's the one that
Really rock my world, every day with me she makes my
love stronger, when she's
Not by my side all I do is wonder, she's my number one
girl the best in the
World, she's the ish to me forget the other girls...

Biznitch, My Biznitch is the shiznit, Biznitch, My biznitch
is the shiznit
