The road is fuckin' hard,
The road is fuckin' tough-ah,
There's no question that-eh
It is rough, rough stuff.

It's the fuckin' road my friend
But it's the only road I know.
When I'm munchin' on a tasty boosh
Right after the show.

You g-go go go!

The road is fuckin' hard,
It's also really fuckin' tough,
There's no question that
It don't take no guff.

The road is a be-a-itch my friend
But it's the only fuckin' road I know,
When I'm snackin' on a tasty boosh
Right after the show.

You g-go go go!

I met a tasty baby in Michigan.
We screwed two times then I left.
Sometimes I think of my baby in Michigan.
Why can't I stay in one place
For more than two days

Why?!

Because I'm talkin' about the road. [5X]

Road!
