[GWR speaks French, cannot translate]

[Chorus]

Working so hard, every night and day  
And now we get the pay back  
Trying so hard, saving up the paper  
Now we get to lay back  
Working so hard, every night and day  
and now we get the pay back  
The pay back, the pay back

[Verse One]

Champagne kisses, hold me in your  
lap of lux-ury  
I only want to fly first-class desires  
You're my limousine  
So elegant, the way we ride  
Our passion, it just multiplies  
There's platinum lightning in the sky  
Look I'm livin' like a queen

This kind of love is getting expensive  
We know how to live, ba-by  
We're luxurious, like E-gyptian cotton  
We're so rich in love, we're rollin, in cashmere  
Got it in fifth gear, baby  
Diamond in the rough, is lookin' so sparkly

[Chorus]

Working so hard, every night and day  
And now we get the pay back  
Trying so hard, saving up the paper  
Now we get to lay back  
Working so hard, every night and day  
and now we get the pay back  
The pay back, the pay back

[Slim Thug]

Slim Thugaaaa..  
I made my stacks now I finally get to lay back (to lay  
back)

I worked so hard now I finally get the payback (the  
payback)  
and blaze sex, ridin in back of da Maybach (chyea)  
(Maybach)  
If it ain't dro', I say no, we don't play that (play that)  
I'm in my house like a Boss reclined  
Bumpin on da sticky green, sippin on me some wine  
(some wine)  
I made it out the hood and I'm feelin real good about  
Ridin' in the Benz tryna pull the wood up out (chyea)

This kind of love is getting expensive  
We know how to live, ba-by  
We're luxurious, like E-gyptian cotton.

[Chorus 2X]

Working so hard, every night and day  
And now we get the pay back  
Trying so hard, saving up the paper  
Now we get to lay back  
Working so hard, every night and day  
and now we get the pay back  
The pay back, the pay back

[Bridge]

Cha-CHIIIIING, cha-CHIIIIING  
We're loaded and we're not gonna blow it  
Cha-CHIIIIING, cha-CHIIIIING  
We're hooked up with the love cause we grow it  
Cha-CHIIIIING, cha-CHIIIIING  
We got hydroponic love and we're smokin'  
Cha-CHIIIIING, cha-CHIIIIING  
We burn it, you and I, we are so lit

We're so rich in love, we're rollin, in cashmere  
Got it in fifth gear, baby  
Diamond in the rough, is lookin' so sparkly

[Chorus]

Working so hard, every night and day  
And now we get the pay back  
Trying so hard, saving up the paper  
Now we get to lay back  
Working so hard, every night and day  
and now we get the pay back  
The pay back, the pay back

[background overlaps chorus]

This is how we roll..  
So luxurious..  
Baby we are so...ex-pen-sive...oh..

[GNR speaks French again]
