ow that you got it
What you gon' do about it?
Now that you got it
What you gon' do about it?
Now that you got it
What you gon' do about it?
What you gon' do about it?
What you gon' do about it?
(Repeat)

Now that I'm your baby
The things you promised me
Now I want
Now that you got it
What you gon' do about it?
What you gon' do about it?
What you gon' do about it?

(You told me)
All the stars I was reaching for
You had in the palm of your hand
And if for just once
I would let the padlock on the door be open
Well damn it, just get on over here
This better be the best thing I ever felt
My days, they better be sunny
It better be nothing but all that I want

[Chorus]
Now that I'm your baby
The things you promised me,
Now I want
Now that you got it
What you gon' do about it?
Now that you got it
What you gon' do about it?
If I'm really your baby
Then share with me your secrets and all
Now that you got it
What you gon' do about it?
What you gon' do about it?

What you gon' do about it?

I'm the raddest queen of them all
I can have anyone sew what I want
Perfect, get it right, never wrong
So you gonna step it up or you gon' be gone

Not like the rest(Not this)ain't nothing this typical
(Nothing is typical)
This is not a test (No test)this is a for sure(It's all gotta
be for sure)

[Chorus]

(Yo, Gwen, whatcha make him do?)
Well, I'd train him like a marine corps
Boot camp, make him like a superhero (Yes, Ma'am!)
That always better be his response dapslyrics.com
And I dont give a fuck about Elton John, ATTENTION!
Show me your skeletons
Let's not play games (Play games)
We can be closer than sharing last names (Give me my
name)
The award is a Purple Heart
It could be yours
If you earn that medal
Yup, you could be my boy

Uh, uh, uh uh, uh, uh uh, uh, uh, uh uh uh
Uh, uh, uh uh, uh, uh uh, uh, uh, uh uh uh

If I'm really your baby
Then share with me your secrets and all
Now that you got it
What you gon' do about it?
What you gon' do about it?
What you gon' do about it?

If I'm really your baby
Then share with me your secrets and all
Now that you got it
What you gon' do about it?
What you gon' do about it?
What you gon' do about it?
Now that you got it
What you gon' do about it?
Now that you got it
What you gon' do about it?
Now that you got it
What you gon' do about it?
What you gon' do about it?

What you gon' do about it?
