

Tenacious D "Hard Fucking"

Visit "[Hard Fucking](#)" on MotoLyrics.com

We should talk about the hard fucking now, the hard fucking?

Because I think it's pretty common complaint
Yeah the ladies don't really like the hard fucking

You feel like your giving them some extra juice
Their not in to that, you think your like taken it to the limit
Maybe they are though there, into that

You know what the test is?
You just say get on top honey, you do what you like
And then sometimes she'll be fucking you really hard

It's like, wait, well you like that? You like that?
Slow down I'm going to spurt! Ahh uhh, sorry
You shouldn't have fucked me so hard
