This is a song called the history of tenacious d

And it's not just a list of bullshit things that we've done
in the past,

But it's a chronicling of our rise to POWER!

We ride with kings on mighty steeds across the devil's
plain

We've walked with Jesus and his cross

He did not die in vain No!

We've run with wolves

We've climbed K2 even stopped a moving train

We've traveled through space and time my friends to
rock this house again

Rock!

We ride we ride and we'll never subside

We'll ride till the planets collide

And if you say that we do not ride,

I'll turn your fucking hide

RIDE!

Kyle's fingers be silver

Jack's voice then be gold

But lest you think we're vain!

We know you're all robots and we don't care

Tenacious D we reign...

We reign Supreme

OH GOD! Burrito supreme, and a Chicken Supreme,
and a Cutless Supreme

Supreme!... Yeah... konaka 1 2 3!

Supreme!... konaka 1 2 3!

Supreme!... konaka 1 2 3!

Burrito Supreme, and a Chicken Supreme, and a
Cutless Supreme

SUPREME!
