More tomatoes?
I do believe so, yes.
Ohh, life on the road Kayg
Life on the road
Hey guys I got that wiper fluid for ya
It was a big day on Jesus Ranch, Jesus Ranch
He was harvesting a big tomato,
He was in the sand, all right
I?m taking a walk in the woods,
It?s nice outside
Smells of shit
Lig a guing gligga gigga googa gwey oh go
I come upon a silver striped mushroom
And I flylalala ly la ly
And I fly fly
It was a big day on Jesus Ranch, Jesus Ranch
Jesus, I fell in love with a baked potato
That's when I started to dance, yeah, in France
I?m taking a walk in the woods, fuck yeah
It?s nice, very very nice
Smells of shit
-Lig a guing gligga gigga googa gwey oh go
-Lug a fling gligga gigga googa gwey oh go
I come upon a silver striped mushroom
And I flylalala ly la ly
And I fly fly
Flylalala ly ly ly
And I fly I?m gone?
