When the Pick of Destiny was released,  
It was a Bomb,  
And all the critics said,  
That the D was done,  
The sun had set and the chapter had closed,  
But one thing one had thought about was The D would Rize again,

Just like the Fenix,  
Will fucking ri-rize again,  
Thats right the Fenix,  
Will Ri-Ri-Ri-Ri-Rize again, Yeah,

Cos, The fiery heart of the champion cannot be quelched,  
By a failure or embarrassment no way no,  
... And the critics all agreed it was a stinky pile of cheese,  
But that does not mean that our hearts are not strong,

Just like the Fenix,  
Will fucking ri-ri-rize again, Yeah,  
Thats right the Fenix,  
Will Ri-Ri-Ri-Ri-Rize again, Yeah

Sounds shutting and it's a hell of a day,  
Running back and headed you're way,  
Dave's here now he's putting on a show,  
We're sticking up and now we need a rhythm,

Hell rocking, Yeah we're rocking again,  
Black mamba is my personal friend,  
Feel's rushing it's a master of sin,  
We'll pick you up take you out on the weekend.

It's the life of the Fenix,  
It's the heart of the time,  
And you know when you seen us,  
The fucking D is back!

Love making all the way to the top,  
Foofs smoking and I'm not going to stop,  
Master-nova is a beautiful dance,  
Hot blooded there's a life of romance

It's the life of the Fenix,  
It's the heart of the time,  
And you know when you seen us,  
The fucking D is back!

But what if it's true?  
If Tenacious D has died what well we do?  
And what well we do?  
About all the fans who have the D tattoo,  
They'll have them removed,  
They'll have to laser off the D tattoos.  
Tattoo,  
They'll have to laser off the D tattoo,  
Uh,

Wait a minute kage,  
What's that you say?  
You know it's not too late,  
Yes it is too late,  
We only need one hit,  
Just imagine it,  
We can be the shit,  
To Legit to Quit!

One Hit!,  
One Hit!,  
One Hit!  
Yeah, we're hoping this is it,  
One Hit!  
Drop the hit!  
Top for that hit!  
Top thousand hit!  
I don't care as long as we get there,  
We'll start out new,  
And you can get a new Tenacious D Tattoo,  
You can get a new Tenacious D Tattoo...
