Showing Growing

Man id like to place my hand
Upon your silky sexy ass n squeeze n SQUEEZE
Take of your blouse and your underpants
Then take a look cause here me and KG
Come naked out of the side hatch
With the oils and perfume and insence
Now your grooving put on a cool 70s groove
A funky groove to funk to
A funky groove to funk to
You guessed it me me and KG its all about sex
supreme

We likes to cream sex
Have you ever been worked on
By two guys who are hot for your Patch
Thats what im offering you
You step into a room and then you smell a perfume
You lay upon our roundish bed and then you feel
A tickling on your head

Its KG with the feather and the french tickler
Look out baby he got the tools
And then you feel something down by your feet
Its me its JB im sucking on your
We dont mind sucking on toes
Good luck finding a boyfriend who sucks toes
Having sex with me and KG nwo your talking
