Lee: Well, me and K.G., yeah, we're going to sing  
A little song about a few special things  
Special things... talking special things.  
Like when a friend gives a friend a helping hand  
Helps his little buddy to understand...  
That's a special thing  
A very special thing...oh... take it J.B.  
Jack Black: I hate to interrupt the thing  
That Lee was singing about him and K.G.  
Special thing... what do you think this is? Tenacious D 3-  
D  
Oh, no, no, no....  
Like when K.G. hits a tin cup shot... on Genesis golf [Tin  
Cup!]  
That's a special thing [a special thing!]  
Or when K.G. pops in Jenny Craig mac
