You can't kill the metal  
Metal will live on  
Punk Rock tried to kill the metal  
But they failed as they were smite to the ground

New Wave tried to kill the metal  
But they failed as they were stricken down to the  
ground  
Grunge tried to kill the metal  
They failed as they were thrown to the ground

No one can destroy the metal  
The metal will strike you down with a vicious blow

We are the vanquished foes of the metal  
We tried to win for why, we do not know

New Wave tried to destroy the metal  
But the metal had its way  
Grunge, then tried to dethrone the metal  
But metal was in the way

Punk Rock tried to destroy the metal  
But metal was much too strong  
Techno tried to defile the metal  
But Techno was proven wrong

Metal, it come from Hell
