This is the greatest and best song in the world tribute

Long time ago me and my brother Kyle here
We was hitchhikin' down a long and lonesome road
All of a sudden there shined a shiny demon
In the middle of the road and he said
"Play the best song in the world or I'll eat your soul"
(Soul)

Well, me and Kyle, we looked at each other
And we each said, "Okay"
And we played the first thing that came to our heads
Just so happened to be the best song in the world
It was the best song in the world

Look into my eyes and it's easy to see
One and one make two, two and one make three, it was
destiny
Once every hundred-thousand years or so
When the sun doth shine and the moon doth glow
And the grass doth grow

Needless to say, the beast was stunned
Whip-crack went his whoopy tail
And the beast was done
He asked us, "Be you angels?"
And we said, "Nay, we are but men", rock

This is not the greatest song in the world
No, this is just a tribute
Couldn't remember the greatest song in the world, no,
no
This is a tribute, oh, to the greatest song in the world

Alright, it was the greatest song in the world
Alright, it was the best muthafuckin' song
The greatest song in the world

And the peculiar thing is this my friends
The song we sang on that fateful night
It didn't actually sound anything like this song
This is just a tribute, you gotta believe it

And I wish you were there, just a matter of opinion
Ah, fuck, good God, God lovin'
So surprised to find you can't stop it
Alright, alright
