GIVE ME YOUR WORD - 11/03/1955
7 weeks at #1 - 24 weeks on chart

Give me your word
Your love will never die
Give me your word
You'll feel the same as I
My heart will beat a lifetime just for you
That's all it wants to do
If yours is just as true
Why don't you
Give me your lips
And let your lips remain
Give me your word
I'm not in love in vain
Give me one hope to guide me
One vow you'll be beside me always
Give me your word

Give me your lips
And let your lips remain
Give me your word
I'm not in love in vain
Give me one hope to guide me
One vow you'll be beside me always
Give me your word
