### Musical Introduction

1. I love to tell the story of unseen things above,  
Of Jesus and His glory, of Jesus and His love.  
I love to tell the story because I know 'tis true,  
It satisfies my longings as nothing else can do.

### CHORUS:

I love to tell the story,  
'Twill be my theme in glory,  
To tell the old, old story,  
Of Jesus and His love.

### 2. Sisters:

I love to tell the story more wonderful it seems, (Ford:  
You're doin' fine)

### Brothers:

Than all the golden fancies, of all our golden dreams,  
(Ford: That's it, fellows)

### Sisters:

I Love to tell the story, it did so much for me,

### Brothers:

And that is just the reason, I tell it now to thee. (Ford: If  
you're there, sing with us)

### CHORUS

3. I love to tell the story, for those who know it best  
(Ford: (Oh, that's fine)

Seem hungering and thirsting to hear it like the rest,  
And when, in scenes of glory, I sing the new, new song,  
'Twill be the old, old story that I have loved so long.
