I once was lost in sin but Jesus took me in  
And then a little light from heaven fill my soul  
He bathed my heart in love and He wrote my name  
above  
And just a little talk with Jesus makes me whole

Now let us have a little talk with Jesus  
Let us tell Him all about our troubles  
He will hear our faintest cry, He will answer by and by  
And when you feel a little prayer wheel turnin'  
And you will know a little fire is burnin'  
Find a little talk with Jesus makes it right

I may have doubts and fears, my eye be filled with  
tears  
But Jesus is a friend who watches day and night  
I go to him in prayer, He knows my every care  
And just a little talk with my Jesus makes it right

Now let us have a little talk with Jesus  
Let us tell Him all about our troubles  
He will hear our faintest cry, He will answer by and by  
And when you feel a little prayer wheel turnin'  
And you will know a little fire is burnin'  
You will find a little talk with Jesus makes it right

Now let us have a little talk with Jesus  
Let us tell Him all about our troubles  
He will hear our faintest cry and He will answer by and  
by  
And when you feel a little prayer wheel turnin'  
And you will know a little fire is burnin'  
You will find a little talk with Jesus makes it right  
Right, right, right
